

# COMPACT POWER SOLUTIONS FOR SMALL ELECTRONIC DEVICES

Reliable coin cell batteries for demanding electronic applications.

MAGNETICS • SECONDARY BATTERIES • PCB ASSEMBLY • ENGINEERING SERVICES • FANS  
SILICONE, METAL, & INJECTION MOLDED COMPONENTS • CONNECTORS • HARNESSES • & MORE!

## COIN CELL BATTERIES

Coin cell batteries provide reliable, compact power for electronic devices that require long service life in a small form factor.

Kingway supplies high-quality lithium coin cell batteries designed for dependable performance in low-power electronic applications.

Through our global sourcing network and trusted manufacturing partners, we help manufacturers integrate compact battery solutions into modern electronic products.

### COMPACT BATTERY SOLUTIONS

Coin cell batteries are widely used in various electronic devices that require **stable and reliable voltage, long shelf life, and minimal space.**

- Lithium coin cell batteries
- Compact button cell batteries
- Long-life primary battery solutions
- Stable voltage output for low-power devices
- Reliable battery performance in small form factors

Coin cell batteries are ideal for products that require **dependable power with minimal size and weight.**

### RELIABLE LOW-POWER ENERGY

These batteries provide **efficient energy delivery for electronic systems designed for low power consumption and long operational life.**

- Long shelf life battery solutions
- Reliable power for electronic circuits
- Stable voltage output for precision electronics
- Compact power for portable devices
- Efficient energy storage in small packages

Coin cell batteries are **commonly used where space constraints and long service life are critical.**

### APPLICATIONS:

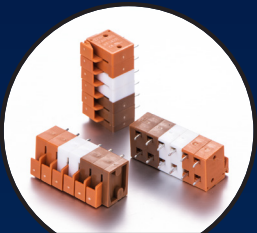

- Consumer Electronics • Medical Devices • Remote Controls • Smart Sensors  
IoT Devices • Wearables • Memory Backup Systems

## EXPERIENCE YOU CAN BUILD ON

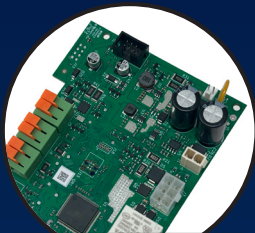

Kingway brings products from around the world to your door.

# EXPERIENCE YOU CAN BUILD ON

*Kingway brings products from around the world to your door.*

**DIRECT SOURCING**

**SHORTER LEAD TIMES**

**CUSTOMIZED SOLUTIONS**

**MAXIMIZED PROFITABILITY**

## OUR MISSION:

We offer direct sourcing and customized logistics management by utilizing our 30+ years of relationships and experience to deliver better pricing and shorter lead times with the goal of maximizing our customers' profitability.

## PRODUCTS:

- Sourcing
- Engineering
- Manufacturing
- Sub-Assemblies
- Full Box Builds

## LOGISTICS:

- Customized Plans
- Efficient Packaging
- Expedited Air Freight
- Sea Freight
- Domestic Warehousing
